May I trouble you to  
let me know about lot 597. in  
sale April 5/6. (Wash-Lafayette heads  
on cert) which you describe as "poor"  
but very fine, or good? Is it  
a fine collection? If it is  
I hardly care for it, as I generally  
prefer to wait until I can get  
a piece in fine condition. From your  
description I presume it is hardly  
good enough for me.

I hope you are having better  
weather in Phila. than we are  
here - It is depressing to say  
the least -

Thanks for your form of  
this date, enclosing piece for  
my inspection, which I return  
herewith. - It is rather too poor  
condition for me -

As I assume that the "Season  
Model" which you offer me has  
no head of Washington on it, I  
hardly care for it -

Will always be glad to get  
a "postal" from you, offering  
anything, even you may get on.

Sir. In your sale of  
May 3. - I enter a Washington  
Medal Lot 407. which not  
knowing, I of course cannot  
make an intelligent bid.

I leave it your good  
judgment to buy it for  
at a reasonable moderate  
price, which at the best  
should not I think exceed  
\$1 or \$2 - of course a few  
cents more.
